

Peace Corps Jordan

Employment Opportunities

Peace Corps is a United States government organization where all staff works as a team to support American Volunteers living and working in Jordan.

The programming and training unit currently has 2 position openings:

- **Regional Manager** of Karak Governorate: prepares communities to work with and host American volunteers, then supports Community Youth Development Volunteers throughout their 2 year service in Karak.
- **Arabic Language and Culture Coordinator:** responsible for the Arabic language learning program for American Volunteers, including pre-arrival, pre-service training and ongoing language learning. For 4 months a year (Sept – Dec) lives and works at the pre-service training site, currently in Madaba.
